**Liliia Zhilina**

has successfully completed the online, non-credit Specialization

## IELTS Preparation

In the IELTS Preparation specialization, learners developed their skills in four skill areas -- writing, listening, speaking, and reading -- in order to perform their best on the IELTS exam. The specialization focused on the format of the exam, the types of questions on the test, and how to best approach each type of question so that learners can enter the exam knowing what to expect and how to reach their target scores.
